

CLEARMEADOW SCHOOL COUNCIL

Farmer's Market

Friday, October 9th, 2009
3:00 pm – 6:30 pm

Just in time for your Thanksgiving Feast, the Clearmeadow School Council would once again like to invite you come out and enjoy an open air Farmer's Market in the kindergarten play area. In addition to fresh fruit and vegetables grown locally or close to home, we will also be offering a selection of other vendors for you to browse through and enjoy. So be sure to bring your reusable bags and your enthusiasm, as we offer you an even bigger and better Clearmeadow Farmer's Market!

Attention Vendors

The Farmer's Market committee is looking for local vendors offering products and services that compliment our healthy theme. Anyone interested in renting a table for the Fall Farmer's Market is asked to contact Heather Moffatt at heatherbmoffatt@yahoo.com for an email application.

Tables will be rented for \$20 each and supplies are limited, so act now!

Final approval on all vendors lies with the school administration and the organizing committee.
